

Certificate of Analysis

Product Name	Jasmine Grandiflorum Essential Oil
Geographical Origin	India
Botanical Name	Jasminum grandiflorum L
Parts Used	Flowers
CAS No.	8022-96-6
Method of Extraction	Steam Distillation
Color and Appearance	Golden Yellow to Reddish Brown Liquid.
Odor	Characteristic intensely floral odor.
Refractive Index	1.478 – 1.528
Flash Point	110 °C
Specific Gravity	0.910 – 0.980
Optical Rotation	+13.0 - +2.0
Solubility	Slightly soluble in water, soluble in alcohol and oils
Storage Conditions	To be stored in cool and dry place
Safety	As Per MSDS
